## WAGHORN'S GUIDE

The time tables following representing C.N.R. system in Western Canada were as correct as possible at January 1, 1950.

On Jan. 9, 1950, temporary curtailment was made on many of the branch lines. The times of operation in most instances have not been changed, but the days per week have been much altered. There is no certainty as to how long this temporary reduction will prevail. Therefore Waghorn's Guide has refrained from publishing these changes since the C.N.R. have not issued any new bills as of Jan. 9. Users of Waghorn's Guide are therefore obliged to use the operating figures shown but consult the nearest agent as to days of operation.
